More sizes to fit all needs

Experience full A3 printing capabilities

Leave behind cramped spreadsheets, indistinct photos and overcrowded documents. With A3 printing capabilities, you can expand, showcase and present your work without having to lose any details. Whether you're printing large format documents or a small image, choose from a range of paper sizes to suit your needs.

Low cost per page

Black: Print up to 3,000 pages per cartridge

Keep printing costs low with Brother's super high-yield cartridges with a page yield of up to 3,000** pages for black and 1,500** pages per colour, ensuring that you pay less, for more.

**Approximate cartridge yield is declared in accordance with ISO/IEC 24711

Lasting quality prints every time

Water and fade resistant prints

Your charts, figures and presentation decks will never be dull again. Our new fast-drying pigment-based ink delivers superior print quality with high black density and true-to-life colours. These detailed, high-quality prints are water and fade resistant, ensuring that your documents withstand the test of time.

Connectivity at your fingertips

Navigate print jobs and printer functions effortlessly with the 9.3cm colour LCD touchscreen on the MFC-J3930DW. The built-in Ethernet and wireless capabilities also allow you to connect all your devices to one machine for extra convenience. Printing has never been this easy.

High capacity trays for large print jobs

Less paper refills with a capacity of up to 600 sheets[‡]

Meet high volume print demands without the need for constant paper refills. The standard paper tray holds up to 250 sheets, while the multi-purpose tray handles up to 100 sheets. Further increase paper capacity with the lower paper tray that allows you to load an additional 250 sheets, giving you a total paper capacity of up to 600 sheets[‡].
